Autumn Term

A very busy term exploring the theme Autumn, Halloween and Diwali.

Making cakes and biscuits which the children also decorated.

The children have been enjoying the new wooden house and mud kitchen in the garden.

We ended the half term in style with a Halloween party.

Christmas

Christmas was all about crafts! Reindeers, cards, decorations, colouring, drawing, cinnamon playdoh – which was a big hit!

We also had our Christmas party with lots of party games and all children were given a gift bag containing some little gifts and a Christmas book.

THANK YOU

Thank you to everyone who came to our Christmas fundraiser and donated. It is greatly appreciated and the funds will be hugely helpful to purchasing a new shed for all our outside equipment and toys.

Kixx

Kixx Colchester have been into preschool for a few sessions. In one session the children's imagination took them to a farm and created an imaginary play session with sheep and farmers. While working on the children's coordination and scoring goals!

care UK

The children visited Tall Trees in December on Christmas Jumper Day and did some arts and crafts along with one of the residents reading the children a Christmas story. We also visited again in January the residents and children all made some arts and crafts using play doh to keep those fine motor skills active and busy. Along with singing songs together.

Important Dates:

Last Day 6th February hours as normal

Half Term 16th to 20th February

Back to preschool Monday 16th February hours as normal
